19 Kind attention is invited to the notes, paras 9 to 13. The Comptroller has not been able to satisfactorily account for how the deceased pensioner was getting Rs.3-15-5. In any case we need not go behind these facts as he had been drawing 3-15-5. The question is only as to the person to whom this sum is to be made payable in future.

20 The Deputy Commissioner, Hassan District, has not offered any specific opinion in the matter. But the investigating officer, the District Treasury Officer, is very specific in his recommendations. He states that the applicant is the only son of the deceased pensioner and that the pension may be made over in his name. The proposal of the investigating officer may be approved.
